Jed Thomas Band

(Bluesrock Sensation from Yorkshire | UK)

Jed Thomas from Yorkshire (UK) plays a unique, unmistakable and great blues rock style which he has been celebrating live with Joe Bonamassa, Rory Gallagher Band, Buddy Guy and Nine Below Zero for many years. Stylistically, Jed can be located somewhere between Stevie Ray Vaughan, Jimi Hendrix and Rory Gallagher, his show always has an immense 70s charm and plenty of room for improvisation.

Jed's blues guitar playing is a mix of classic Delta style, slide guitar and electric blues. Along with Paul Austwick on Hammond, Nibbsy Toase on bass and Fiete Blümel on the drums, the Jed Thomas Band impresses the audience and unfolds his magic live performance in the smallest club as well as at the biggest festival. Jed and his top-class band are always touring all over Europe.

„Really loved your slide playing“ (Joe Bonamassa)

“Keep playin’ the blues son...” (Buddy Guy)

„Watch out for this guy“ (Tony McPhee – Groundhogs)

“We really like the direction you are going in” (Rory Gallagher Band)
